održava se:

**73. AUKCIJA
FILATELIJA -
ZBIRKA FORENBACHER**

Subota, 10.05.2025.

s početkom u 14,30 sati

[www. barper. com](http://www.barper.com)

E-mail: [aukcijebarper@gmail. com](mailto:aukcijebarper@gmail.com)

Izvod iz pravila aukcijske prodaje:

1. Aukcija u organizaciji aukcijske kuće Barac i Pervan je javna i sudjelovanje na njoj je slobodno i dragovoljno.
2. Aukcijska kuća vrši uslugu posredovanja između ponuđača i kupca.
3. Aukcijska kuća za svoju uslugu od ponuđača uzima 15% od postignute cijene i o tome izdaje račun dok kupac plaća 18,75% na izlicitiranu cijenu u što je uračunat i PDV.
4. Opis predmeta izvršen je s vrlo velikom pažnjom. Fotografije su dio opisa, a u slučaju bilo kakve pritužbe ili reklamacije tekstualni opis ima prednost pred fotografijom.
5. Licitacija se vrši prije same aukcije putem internetskih ponuda odnosno telefaksa, koje se primaju do samog početka aukcije; pismeno putem pisma, i telefonski za vrijeme aukcije za što je potreban poseban dogovor s aukcijskom kućom. Prilikom svih pismenih licitacija ponuđač daje svoju maksimalnu ponudu, a voditelj aukcije licitira u njegovo ime štiteći njegov interes. Na samoj aukciji svi zainteresirani ponuđači, ako žele licitirati, moraju se prijaviti prije početka aukcije voditelju, ispuniti obrazac s osnovnim podacima i preuzeti broj pod kojim će licitirati i davati ponude.
6. Ponuda predana u bilo kojem obliku obvezujuća je za davaoca.
7. Izlicitirani predmet moguće je preuzeti odmah nakon aukcije i plaćanja računa, te u roku do 30 dana.
8. Troškovi osiguranja, poštarine i eventualni drugi troškovi slanja idu na račun kupca, a aukcionar nije odgovoran za eventualno oštećenje ili gubitak izlicitiranog predmeta nakon što isti preda trećoj osobi ili ustanovi koja će izvršiti dostavu kupcu.
9. Svaka reklamacija mora se dostaviti u roku 8 dana od dana preuzimanja predmeta jer se u protivnom neće uvažiti, osim reklamacije originalnosti koja je trajna i moguće ju je uvijek predati ako postoji sumnja da predmet nije pravi. U tu svrhu aukcijska kuća u dogovoru s kupcem izabrat će stručnog arbitra koji će provesti neovisno ispitivanje i njegov sud je konačan. Trošak arbitraže ide na teret onoga za kojeg se u sporu dokaže da nije bio u pravu.
10. Skupni predmeti, tzv. lotovi nemaju jamstvo originalnosti i kvalitete već se ide po načelu "viđeno-kupljeno", osim ako aukcijska kuća nije posebno naglasila jamstvo za određeni lot.
11. U slučaju da aukcijska kuća primi dvije ili više identičnih ponuda za isti predmet prednost ima ona ponuda koja je prije stigla.
12. Aukcijska kuća jamči apsolutnu diskreciju ponuđačima i kupcima.
13. Aukcijska kuća dužna je isplatiti ponuđače 40 dana od dana aukcije, osim ako nije sklopila sa ponuđačem drugačiji dogovor.
14. Aukcijska kuća i ponuđač materijala za aukciju sklapaju ugovor koji mora sadržavati osim popisa predanog materijala za aukciju sve relevantne podatke ponuđača kao i broj računa na koj će mu biti isplaćen novac dobiven od prodaje predmeta.
15. Cijene ponuđenog materijala su u eurima i licitacija se također vrši u eurima.
16. Aukcijska kuća bez posebnog obrazloženja može odbiti primiti materijal za aukciju, dok primljeni materijal može presložiti, opisati ili povući. Aukcijska kuća naplaćuje ponuđaču obradu svakog predmeta 5,00 eura za aukciju: KNJIGE, ZEMLJOVIDI, PLAKATI.
17. Od trenutka preuzimanja materijala aukcijska kuća jamči za njegovu sigurnost, te ga o svom trošku, slika, opisuje i objavljuje u aukcijskom katalogu.
18. Aukcijska kuća dužna je nakon završene aukcije svakog sudionika obavijestiti o rezultatima cijele aukcije o svome trošku (obavezno putem interneta i pismeno ako to zatraži sudionik).
19. Za sve eventualne sporove nadležan je Županijski sud u Zagrebu.

Extract from Auction Sale Regulations

1. The auction organised by the Barac&Pervan auction house is public. Participation in it is free and voluntary.
2. Barac&Pervan auction house is a mediator between sellers and buyers.
3. Barac&Pervan auction house takes 15% of the achieved price from the seller, and issues the receipt, while the buyer pays 18.75% of the achieved price, tax included.
4. The description of the item has been made with great precision. The photographs are the component parts of the description. In case of any complaint, the textual description has the priority over the photography.
5. The bidding takes place before the auction by Internet bidding and telefax respectively. The biddings are accepted until the very beginning of the auction: in writing by way of letters, and by telephone during the auction, the latter requiring a special understanding with the auction house. During all written bidding, the bidder gives his maximum bid, while the auctioneer bids in his name so that he protects his interest. All interested bidders must apply to the auctioneer before the beginning of the auction by filling in a form with basic data, whereupon they are given the number, which will be used in bidding.
6. The offer given in any form is obligatory for the bidder.
7. The sold item can be taken by the buyer immediately after the auction and payment, or within the following thirty days.
8. Insurance costs, mailing and other possible delivery expenses are born by the buyer. The auctioneer is not responsible for damage or theft of the item bought at the auction after this item has been given to the third person or institution for its delivery to the buyer.
9. Any claim or complaint should be made within eight days from the acquisition of the item, with the exception of the dispute as to the authenticity, which is permanent, i.e. it is always possible to claim that the item is not original. For this purpose, the auction house should agree with the buyer that specialist arbitration is chosen for doing independent research. The decision of the arbitration is final. The arbitration costs are born by the party that has lost in the arbitration process.
10. Lots (collection items) do not have the guarantee of authenticity and quality, but are sold by the principle "seen-sold", unless the auction house has given a special guarantee for a particular lot.
11. In case that the auction house has received two or more identical offers for the same item, the priority is given to the offer that has arrived first.
12. The auction house guarantees full discretion to the sellers and buyers.
13. The auction house is obliged to pay out the sellers within forty days following the auction, unless a different agreement has been made with the seller.
14. The auction house and the seller of the auction items should make an agreement containing the list of the given auction items, and all relevant data of the seller, containing the bank account number to which the money obtained from the auction will be remitted.
15. The prices of the offered items are given in Euros, and the auction is also conducted in the same currency.
16. The auction house may reject the offered items for the auction without giving any explanations, and may describe, re-classify, or withdraw the accepted items. The auction house will charge sellers the amount of 5,00 Euro for the processing of each item on the auction: BOOKS, MAPS, POSTERS.
17. As soon as the auction house accepts auction items, it guarantees for their security, and takes photographs and makes the descriptions of the items for the auction catalogue at the expense of the auction house.
18. After an auction, the auction house should at its own expense inform all participants of the results of the whole auction (by internet and, if required by a participant, per post).
19. In case of disagreement, the competent authority is the County Court in Zagreb.
